Sir:

We gratefully acknowledge the "Notice of Allowance" mailed on September 19, 2007. Internally at Thomson Licensing LLC, as a measure of quality control and prior to paying the Issue Fee on an allowable case, we check all the corresponding related applications worldwide and make sure that any documents cited elsewhere in the world was properly cited in the USPTO with an IDS statement(s) during prosecution. Unfortunately, in this instance, three of the references cited in our corresponding Japanese application slipped by us undetected, and, therefore, we wish to file this RCE in order to report these references cited with an IDS Statement. Applicants assert that none of the references currently or formerly cited, alone or in combination, disclose the claimed invention nor make it obvious. Therefore, applicants respectfully request consideration of the new references and allowance of the application.
